PerpeX B-School: Built for the Bold

If you're dreaming of building a startup or just tired of textbook learning, you're not alone. Thousands of graduates are left with degrees but no direction.

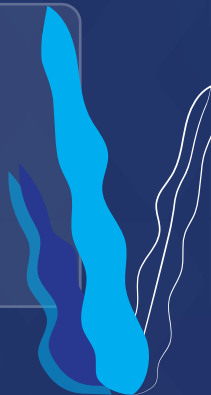

At PerpeX B-School, we bridge the gap between ambition and action.

We exist for the doers. The ones who want to earn, build, and grow through real-world experience, not just lectures

Why we built this?

Building Malabar's Greatest Doers. One Business at a Time. Malabar was once the heart of global trade. We believe it can be again.

We aim to revive that spirit by building India's most powerful community of young entrepreneurs —from Kozhikode to the country and beyond.

What Makes Perpex B-School Different?

2 Years of B2B Insight, Now in a Classroom. We spent two years working directly with businesses before launching this course. That experience shaped a program where:

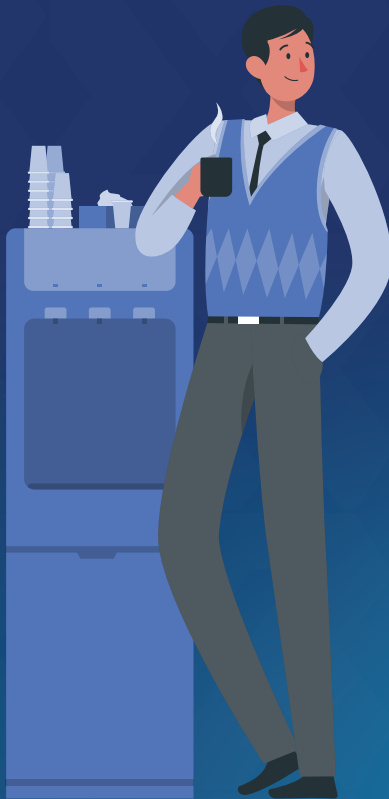

- 100+ CEOs have validated our curriculum
- Every class includes action: tasks, presentations, projects, and feedback
- Students learn how to solve real business problems, not just exam.

Every class includes action: tasks, presentations, projects, and feedback
